

TRUCCANE GRANULATED SUGAR SPECIFICATION SHEET

PRODUCT NAME: Cane Sugar -Fine Granulated
 REVISION DATE: August 2021
 SNE ITEM NUMBER: C-M-SA150
 DESCRIPTION: Small, uniform crystals made from sugar cane.
 INGREDIENTS: ≥ 99.6% Sucrose

GENERAL INFORMATION

The seller warrants that all deliveries of material shall conform to the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and any applicable state or local ordinances. The product is manufactured and shipped under good standards of sanitation. Prior to any changes in formulation, process or composition that may affect the characteristics of this specification, Sweet New England shall provide written notice to the corresponding Purchasing or Quality Assurance Department. Information regarding any change (s) and possible implications will be detailed in the written notice.

PRODUCT SPECIFICATION

Characteristics	Features Description	Special white sugar values range				Reference Norm NTC 2085
		Familiar		50 kg		
		Min	Max	Min	Max	
Chemical						
Polarization	°Z a 20°C	99.6	-	99.6	-	Min 99.6
Moisture	%		0,06		0,06	Max 0.06
Colour	420 nm, IU (Icumsa Units)	-	180	-	180	Max 180
Turbidity	420 nm, IU (Icumsa Units)	-	80	-	80	Max 80
Reducing sugars	%				0,10	Max 0.10
Ash conductivity	% m/m	-	0,10	-	0,10	Max 0.10

SWEET NEW ENGLAND | TASTE THE FLAVOR OF NATURE

INTRINSIC PRODUCT ATTRIBUTES

Appearance	White crystals fluid granulation
Flavour	Characteristic sweet, without strange flavors
Smell	Characteristic odors, free from strange odors

ALLERGENS

No known Allergens

PACKAGING

This ingredient is packed in polypropylene laminated bags of 1 metric Tn each. No metal fasteners or closures of any kind are used

CODING

All bags are identified with a lot or batch code. Each bag is properly identified to include the manufacturer name, ingredient name, production date or lot code and net weight.

SHIPPING AND STORAGE

The product is shipped and stored in a cool, dry environment, protected from moisture and foreign odors. Our warehouse is free of pests and has an appropriate pest control management program in place. Shipping and storage temperatures range from 60 to 70°F and 40 to 50% relative humidity.

All delivery vehicles are cleaned, undamaged and free from strong odors, insect, and rodent contamination. All trailers carrying a full load of product are sealed with a numbered seal. The number from the seal shall be recorded on the bill of lading. Product shipped on trailers containing less than truck load (LTL) quantities are not accompanied by any substance of a poisonous, hazardous, or potentially deleterious nature.

The product is shipped on standard 40 X 48 food grade wood pallets.

SHELF LIFE

2 years from date of receipt under recommended storage conditions.
