GENERAL INFORMATION

The seller warrants that all deliveries of material shall conform to the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and any applicable state or local ordinances. The product is manufactured and shipped under good standards of sanitation. Prior to any changes in formulation, process or composition that may affect the characteristics of this specification, Sweet New England shall provide written notice to the corresponding Purchasing or Quality Assurance Department. Information regarding any change(s) and possible implications will be detailed in the written notice.

Physicochemical characteristics

Characteristics	Unit	Specification		Methods
		Minimum	Maximum	
Polarization @ 20°C	°Z	99.80	N/A	ICUMSAGS2/3-1 NTC 586
Humidity	%	N/A	0.04	ICUMSAGS2/1/3/9-15 NTC 572
Color	UI	N/A	45	ICUMSAGS2/3/-10 NTC 5969
Ashes	%	N/A	0.04	ICUMSAGS2/3/9/-17 NTC 570

Microbiological Characteristics

Characteristics	Unit	Specification	Methods
Staphylococcus Aureus	CFU/g	Absence	NTC 4779
Salmonella (in 25g)	CFU/g	Absence	NTC 4574

Organoleptic Characteristics

Characteristics	Specification	Methods
Appearance	White crystals	PR-PPAL-0095
Odor	Free of strange smell	PR-PPAL-0095
Flavor	Sweet characteristic	PR-PPAL-0095

Grain Size

Mesh	Specification	Methods
Retained Mesh #30	3%	ICUMSAGS2/9-37

SWEET NEW ENGLAND | TASTE THE FLAVOR OF NATURE

ALLERGENS

No known Allergens

PACKAGING

This ingredient is packed in two-ply laminated paper bags weighing 50lbs net each. No metal fasteners or closures of any kind are used. Bags are shipped palletized

CODING

All bags are identified with a lot or batch code. Each bag is properly identified to include the manufacturer name, ingredient name, production date or lot code and net weight.

SHIPPING AND STORAGE

The product is shipped and stored in a cool, dry environment, protected from moisture and foreign odors. Our warehouse is free of pests and has an appropriate pest control management program in place. Shipping and storage temperatures range from 60 to 70°F and 40 to 50% relative humidity.

All delivery vehicles are cleaned, undamaged and free from strong odors, insect, and rodent contamination. All trailers carrying a full load of product are sealed with a numbered seal. The number from the seal shall be recorded on the bill of lading. Product shipped on trailers containing less than truck load (LTL) quantities are not accompanied by any substance of a poisonous, hazardous, or potentially deleterious nature.

The product is shipped on standard 40 X 48 food grade wood pallets.

SHELF LIFE

22 months from date of receipt under recommended storage conditions.
